

TCI SUN Online Advertising

Advertising in online newspapers is fast becoming one of the most powerful and effective means of marketing and promotion.

In this fast-paced world, increasing numbers of people want news and information at their fingertips and they are depending more on online newspapers to provide them with these services.

The SUN's website is no exception. With **10 million** hits and growing, our website is the most popular site in the Turks and Caicos Islands. If you advertise on our site, you'll be exposed to the millions who visit www.suntci.com on a daily basis.

So have your company stand out from the rest by advertising with Turks and Caicos Sun Online. Be seen and heard using our online advertising services. Our site boasts a combined readership that other Caribbean sites can only dream of. Advertising opportunities are available to a wide cross-section of our readers, the demographics of which are colourful and far-reaching.

How we differ from the rest:-

Our content is updated weekly and is viewed by locals living abroad and international readers on a weekly basis.

The website is user friendly and easy to navigate

Banners Rotating throughout the site

Side bar Measurements	180X80 pixels - 100dpi	\$150 per wk
